

hallelujah

g d am g d am
it's a throbbing in my heart – a phrase in rhythmic art

g d am g d am
sounding out in purest tone – a melody all its own

g d am
i will sing the praises of the one who raises life

g d am g d am
it's in the air all around – rising in melodic sound

g d am g d am
the rich harmonious strains – praise the lamb who was slain

g d am g d am
these sounds my soul can hear – in sweet notes pure and clear

g d am g d am
straining to arrange in verse – a song to rise above the curse

CAPO III
