

love

f c g f c g f
you love like no one else i know - in love with me even though

c g f c g
i don't love you like i should - oh God you're so good

f c g f
your spirit is alive in me - showing me how to be

c g
showing me how to

f c g f c g
love has taken my heart away and gave it a home

f c g f c g f
you speak to me in falling leaves - in wind that moves through the trees

c g f c g
and I can feel the start of you changing my heart

f c g f c g f
your love is shaking me - my heart is breaking free
