to the king of kings to the one that i love

g c d  
there's so much more i'm longing to bring

so father hear my heart not just what i'm singing

em d g c  
we know you're here as you inhabit our praise

em d g c  
yet we long to be by the throne of your grace

g c d  
you and i will walk along the streets of gold in heaven

g c d  
you and i will dance around the throne of God like children

g c d  
you and i will join the angels and sing to Jesus

glory to God in the highest

g/b c d2 g/b c d2  
glory to God - glory to God in the highest
